Wet paint.....  
news that's fresh off the easel  
for members and friends

**Highlights From December Meeting:**

At our December meeting, the Summit Art Board announced two changes, which will greatly benefit our members. Dues for 2009 will be reduced to \$50 per year. Please plan to pay 2009 dues at the January meeting.

The commission on sales will also be reduced to 20%, which means artists will receive 80% on their sales.

Plan to attend Summit Art's next Longview Plein Aire Event on Sunday, January 11, 2009. Carole Gray emailed the details last week.

The Summit Bank of Kansas City Artist Reception held on December 4, 2008 received an exceptional response from the community. Rick Viar, President of the Bank, commented, "They had never had such great attendance at any of their other events. This tells me the community must be hungry for art events." The March event is filled. Still have openings for June and November 2009.

As you may recall the Summit Bank of KC sponsored all of the artist awards for our 2008 Art Fair, they are wonderful sponsors. For anyone who mentions Summit Art when opening a new account by the end of December, the bank will donate \$25 to Summit Art. Let the bank know how much we appreciate them.

Remember our meeting night has changed to the first Wednesday of the month. See you on January 7, 2009.
